

Do it now - Bella Ciao

We need to wake up We need to wise up We need to open our eyes And do it now now now We need to build a better future And we need to start right now

We're on a planet That has a problem We've got to solve it, get involved And do it now now now We need to build a better future And we need to start right now Make it greener Make it cleaner Make it last, make it fast and do it now now now We need to build a better future And we need to start right now

No point in waiting Or hesitating We must get wise, take no more lies And do it now now now We need to build a better future And we need to start right now
